

SSAI Judging Development

Dear Judges,

In order to ensure the adequate National Judging standard and introduce the judging criteria for eligibility to FINA judging list SSAI has developed National Judging Levels and Development pathway for all new judges.

- **Beginner** – judging at club level, confident with the star levels, skills and grade judging, attendance of all state workshops, evaluation by state judging coordinator.
- **Intermediate** – judging age group figures, judging routines at least two components (AI and EX), attendance of all state workshops, evaluation by state judging coordinator.
- **State** – judging all routines components, judging technical solo and duets (both Senior and Junior), attendance of all state workshops, evaluated by state judging coordinator
- **National** – confident in judging figures and routines (free and tech), regular judging at State level, participation at interstate competitions is highly recommended, participation in national judging workshop, evaluation by national judging director or FINA evaluator at Australian Nationals.
- **International** (non-FINA competitions) - confident in judging figures and routines (free and tech), regular judging at State level regular judging at National level, minimum 1 positive national evaluation.
- **FINA G** – 2 years of National Judge Level, FINA school (needs to be competed within 1 year from FINA G list nomination, see FINA Guidelines)
- **FINA A** – see FINA G to A rules.
